1. The following is an examiner's statement of reasons for allowance:

The non-Final rejection mailed December 23, 2005 on page 8, paragraph 22 indicates the lack of recitation of the newly limited aromatic amine curing agent (B) to the species of general formula (1) or (2) as depicted on page 4, lines 9-12 and 17 to page 5, line 1. None of the curing agents of the applied closest prior art falls within the claimed structures. Claims 2 and 6 have been reinstated due to their dependence upon independent claim 1 confined to the aromatic amine curing agent (B) of Formula (1) or (2) further comprising an organopolysiloxane-modified epoxy or phenolic resin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
